LAP SWIMMING POOL WAIVER

Date: _____

By signing this waiver, I fully understand that I am responsible for complying with the following conditions any time the pool is not officially open and without lifeguards on duty:

- I certify that I am a member in good standing at Carlisle Country Club and I am age 18 years or older.
- Swimming under this waiver releases all members of Carlisle Country Club, Club Staff, and the Board of Governors from any responsibility in the event that I suffer an injury while swimming at my own risk, while the pool is closed and without lifeguards on duty. In other words, I am swimming totally at my own risk and will pay for any injuries or disabilities suffered while the pool is closed and without lifeguards on duty.
- I acknowledge and will abide by the fact that this signed waiver is for me and me alone. I will not bring family or friends to the club while swimming laps in the pre-opening hours for which this waiver is intended.
- I understand that from time to time there may be instances that the pool may need to be prepared for other events, such as a swim meet or needed repairs and may not be available for usage. In such occurrence, I agree to abide by the needs of the club and forgo lap swimming on such a day.
- No person under the age of 18 or who is not a member of Carlisle Country Club may swim at Carlisle Country Club when the pool is closed and without lifeguards on duty.

This waiver and privilege is valid from May 31, 2021 until the end of pool season, 2021.
